# THE NEW Z7<sup>®</sup> XTREME<sup>™</sup>

3.98 lbs

## Maneuverable

Aggressively compact, the Z7<sup>®</sup>Xtreme<sup>™</sup> offers a rare combination of size and agility for all hunting situations.

7-3/8 in.

## Forgiving

With a generous brace height, the Z7<sup>®</sup>Xtreme<sup>™</sup> provides superior forgiveness and helps produce tighter groups at all distances.

## Fast

The Z7<sup>®</sup>Xtreme<sup>™</sup> posts speeds up to 330 fps which enhances your effective shooting distance and creates more downrange energy.

330 fps

80% let-off

## Smooth

Equipped with a Z7<sup>®</sup> cam and the revolutionary Reverse Assist<sup>™</sup> Roller Guard, the Z-series has earned a reputation as the smoothest-drawing bows ever designed.
